### **About Caybon**

Caybon is a world-leading digital media company focused on branded content that drives tangible results.

Caybon is a group of scalable, digitally focused marketing companies specialised in content and distribution. The purpose is to offer advertisers and organisations a way to communicate with their target group in an editorial and relevant context. The various offerings include a range of solutions from online media, videos, performance related advertising, events as well as printed products. Revenues in turn are derived from content production as well as various forms of advertising solutions. The clients range from small to medium sized companies all the way up to multinational groups. The client base is thus diversified in terms of both size, sector and geography. The six brands within the Group are grouped into two business segments: Campaign and Network.
